Dear Sir,

## **Sub: Sample Handling System - Software Project Completion Certificate**

With reference to the above, this is to certify that your company has successfully designed, developed and implemented an integrated information solution for us to the satisfaction of the end-users.

The solution is comprehensive for our core business processes and seamlessly integrates the workflow and communication requirements of all our divisions and sections. We believe that this solution will bring dramatic improvement in the establishment and management of business processes for ERDA. The software is user-friendly, intuitive and organizes the work and information for the executives on day-to-day basis through Daily Views and other interfaces. Further the solution provides highly useful business analysis and management information.

Your implementation team has done a commendable job in training our personnel to ensure meaningful use of the sophisticated solution. We congratulate the team at IBSL, which is responsible for this success.

Our best wishes to Indus Business Systems Limited and wish them success in their future projects.

Thanking you,

Yours faithfully
